## Announcement to Principals of Collegiate Institutes, High, and Continuation Schools

### Re COURSES IN HISTORY

Pending the selection of a suitable text-book on Civics, the examination on the topics outlined in Section VI (page 16), of the Lower School course in Canadian History will be limited to the topics on Civics which are taken up in the text-books on the History of Canada authorized for use in the Public and Separate, and in the High and Continuation Schools. Due consideration will be given to the fact that candidates may have been prepared from either of the two authorized texts. In the case of the Middle School course in British History, the examination on the topics outlined in Section 15 (page 44), will be limited to the topics which are taken up in the authorized High School text-book on British History.
